Re: Stock Purchase Agreement dated as of February 1, 2006  
by and among Argo Turboserve Corporation, Dean Angelle  
and Denise Angelle, and D&D Pipe and Rentals, Inc.  
("Stock Purchase Agreement")

Dear Mr. Rosenblum:

In response to your letter dated September 12, my clients will provide Mr. and Mrs. Angelle reasonable access to the premises, books, and records in accordance with Section 9.3 (b) of the Stock Purchase Agreement. Those books and records would be made available under appropriate supervision at the offices of D&D in Lafayette, Louisiana and at Argo Turboserve in Lyndhurst, New Jersey. You may contact me to arrange for such access or your clients may contact Mr. Wayne Ackerman of Argo Turboserve directly for such purpose.

Although such access will be granted on a date as soon as mutually agreeable, we disagree with your claim that the contemplated filing of suit by Argo Turboserve would be premature before that occurs. Moreover, to the extent that you are adopting the points made by Ms. Swords in her September 5 letter, we dispute all the claims raised therein except that an adjustment to purchase price may have been warranted in respect of the Dishman & Bennet receivable but for the indemnification claim.

The Buyer Indemnified Parties continue to reserve all of their rights and claims.

Carl D. Rosenblum, Esq.
